

# JEREMIAS DANIEL HILT PELETTI

## ABOUT ME

I am a proactive person with a great learning capacity, focused on web development with WordPress. I stand out for my attention to detail, frontend programming skills and willingness to work in a team and adapt to dynamic environments. I am looking to gain professional experience to consolidate and apply my technical knowledge in real projects.

## WORK EXPERIENCES

### Amplity Health | WordPress Developer

- Development of custom WordPress components with Elementor
- Implementation of advanced interactions and styling with HTML, CSS and JavaScript
